## DETAILS

him that he would not give him a ride, so Suspect 1 placed one of his arms in the passenger side compartment of his Chevrolet in an attempt to unlock the door. (V) Peaslee raised the window, wedging Suspect 1's arm. Suspect 1 starts to scream "let my arm go!", so (V) Peaslee lowers the window again to let the suspect leave. Suspect 1 then unlocks the passenger door from the inside and enters the vehicle on the front passenger side. (V) Peaslee ordered Suspect 1 to exit his vehicle immediately and told Suspect 1 that he was in possession of a firearm (North American Arms Black Widow Magnum .22 Caliber) Suspect 1 did not exit the vehicle and so (V) Peaslee removed his firearm from his front right jacket pocket and a struggle inside of the vehicle for possession of the firearm ensued between (V) Peaslee and Suspect 1. (V) Peaslee reported that during the struggle the gun fired and struck him in the front right thigh. Shortly thereafter Suspect 1 forcibly took possession of the firearm, exited the vehicle, and ran westbound on Park Street. Suspect 1 was described as a White or Hispanic male, approximately 5'08", thin build, wearing a tan coat, glasses and clean shaven. (V) Peaslee has never seen this person before and reported that he could identify him again. (V) Peaslee was treated at Saint Francis Hospital and listed as stable by medical staff. He was released at approximately 0400 hours.

I and several units canvassed the area for Suspect 1, but could not locate him or any blood trails in the area. I canvassed the area for witnesses and spoke with Clara Rivera and Complainant Henry Portilla. Rivera and Portilla were with (V) Peaslee at Portilla's Palace Cafe that evening and reported that (V) Peaslee left the establishment shortly before the incident took place, and that he quickly returned to inform them that he was shot. Neither Rivera or Portilla observed the incident or the suspect. I noted several surveillance cameras on city light poles in the vicinity of the incident location: 868, 821 and 845 Park Street.

Sgt. Varkal of Unit 310 was on scene. Sgt. O'Brien and Detective Salkeld of the Major Crimes Division were notified. Detectives Fowler and Fargnoli responded. (V) Peaslee gave a voluntary written consent to search for his vehicle to Officer McCullough at Saint Francis Hospital. No firearm was located inside of the vehicle nor was it discovered during the suspect canvass. The North American Arms Black Widow Magnum is registered to (V) Peaslee and was entered into as stolen under message # 1078927. (V) Peaslee has a valid State of Connecticut Pistol permit (# 077676). The vehicle was placed on hold for Major Crimes, Sgt. O'Brien, and towed from the scene by Central Auto.

On 6/19/11, at approximately 0324 hours, while assigned to marked Patrol Unit 4, I was dispatched to Hartford Hospital located at 80 Seymour Street, on a street robbery involving a stolen pistol.

Upon arrival I met with Complainant/Victim Christopher DiFilippo, who reported the following: that he drove to the Red Rock Cafe located at 369 Capitol Avenue and that he arrived there at approximately 0135 hours to meet up with friends. (C/V) DiFilippo parked his vehicle in the rear of the Red Rock and exited. He opened the trunk of his car in order to store his Smith & Wesson MP 40 caliber in a lock box located in the trunk. As he removed the gun from his waste band he was suddenly placed in a head lock from behind and was punched and kicked several times by at least two other male parties. He was then thrown to the ground and his gun and wallet (containing his Connecticut ID and American Express card) were stolen.

(C/V) DiFilippo was not able to provide a description of the suspects, but stated that one of the three suspects was

a Black male. He was not able to provide any further descriptors of the suspects and stated that he ran away from the scene after the suspects fled. He then drove himself to Hartford Hospital to be treated for non-life threatening neck pain caused by the incident. While at the hospital he called the police to report the incident.

I canvassed the area of 369 Capital Avenue, which included the front, side and rear of the Red Rock Cafe. No crime scene was located and no surveillance camera's were found in the vicinity. Sgt. Weston was notified of the incident.

(C/V) DiFilippo's State of Connecticut pistol permit # 994789, was located via the Info 1 dispatcher. The pistol in this incident was still in process to be registered by the State of Connecticut, therefore the serial number was not found via The serial number (DUP3292) and authorization number (769446) was provided by (C/V) DiFilippo's mother over the telephone.

The current registered owner of the pistol, Michael D. Behrendt, was contacted by the Information dispatcher at his U.S. Army Reserve Post in Fort Benning, Georgia. He reported that he sold the gun to Hoffman's in Newington, CT on May 15, 2011, just prior to leaving for the military.

shows that (C/V) DiFilippo purchased a gun on 5/19/11 at Hoffman's gun center, but it had not been updated to reflect the new owner as (C/V) DiFilippo.

It was entered into as stolen under message # G902467358 at 0558 by Operator R31. A copy of this report will be forwarded to Major Crimes and Intelligence. According to (C/V) DiFilippo, the gun had 15 rounds of ammunition in it at the time of the incident. This incident is still under investigation at this time.

Vasquez stated that Green told him he was the person interested in purchasing the phone. Vasquez asked Green to sit in his vehicle's front passenger seat while he prepared the phone to be sold. Vasquez stated that when Green was inside his vehicle he produced a black revolver with a long barrel, pointed it at Vasquez's head, and told him, "you know what this is, turn off the ignition, take out the keys and drop them on the floor, and lift your shirt". Vasquez stated that Green then took his cell phone off his lap, pulled his two diamond earrings out of his ears, and reached into his waistband and took his Springfield Armory XDM .40 caliber handgun and holster. Vasquez stated that he then saw another black male later identified as Xavier Williams, DOB 11/14/1991, who had a dark complexion, about twenty years old, heavy build over two hundred pounds, wearing a grey tee-shirt with white lettering, and shorts, approaching his vehicle. was the subscriber and the e-mail contact was: XWILLIAMS4566@YAHOO.COM. The mobility usage for 860-841-6667 showed that there was contact with Vasquez's number 860-978-1622 on the morning of 7/7/11. I checked number 860-841-6667 through the Hartford Police Department case incidents. Case incidents showed that number 860-841-6667 was associated with Xavier Williams, DOB 11/14/1991, of 126 Clark Street #A Hartford, CT.

I checked the Hartford Police Department in house computer system which showed that Williams had juvenile booking photos with the Hartford Police Department Juvenile Investigation Division. Detective N. Mordasiewicz of the Juvenile Investigation Division prepared a photo array consisting of eight photos of similar looking black males including that of Xavier Williams, 11/14/1991. Vasquez was shown the array after the appropriate instructions were given to him. Vasquez immediately pointed to photo number 3 and stated, "Number three was the guy outside with the guy that had the gun pointed at me. Number three is the guy that got in the back seat of my car." At this point Vasquez circled, signed, and dated photo number three.

Photo number three is, in fact, that of Xavier Williams, DOB 11/14/1991, of 126 Clark Street #A Hartford, CT. as confirmed by Hartford Police Department records.

On 07/07/2011, Detective D. Richter and I located Williams at 17-19 Barbour Street. There were a number of individuals present at 17-19 Barbour Street that were checked through the Hartford Police PD info 1channel. Justin Green did not have identification and was identified by calling (860-523-9335) Tommie Williams, who is the person Justin Green lives with at 792 Capitol Avenue 3<sup>rd</sup> Hartford, CT. (Green's identity was also confirmed at a later date through his CT. ID) Williams was taken to the Hartford Police Department Major Crimes where he was interviewed. When we arrived at the Major Crimes Division I searched Williams and located an AT&T HTC Inspire cell phone in his pocket. Williams stated that the phone was his and that the number was 860-841-6667. The phone was taken as evidence.

On 07/07/2011, during a post Miranda interview Williams completed a voluntary written statement, which can be summarized as; he called a guy (Vasquez) about a phone that was for sale on Craigslist and told Vasquez to meet him on Forest Street Hartford, CT. During the calls with Vasquez he agreed that he was going to trade his cell phone and some money for Vasquez's phone. On 07/07/2011, Williams met Green and told him he was buying a phone. Williams stated

that Green told him, "I'll just get it for you." Williams and Green walked to Hartford High School together and waited for Vasquez to arrive. Williams stated that he received a call from Vasquez who told him he was at Hartford High. Williams told Vasquez to pull into the lot across the street to meet him, which he did. Williams stated that Green approached Vasquez's vehicle and entered the front passenger seat. Williams stated that after Green had been inside the vehicle for a short while he walked over and entered the rear driver's seat. Williams stated that after a short time Green told him to get out of the vehicle and that they both ran behind 50 Forest Street. Williams stated he jumped a fence and walked to Farmington Avenue and that Green kept running behind 50 Forest Street.

Williams stated that he and Green planned to steal Vasquez's phone but Williams did not know that Green was going to use a gun during the robbery. Williams stated he did not know about Vasquez's gun being taken and does not know where the guns are at this time. Williams stated he and Green have been very good friends for about seven years and that he knows him as Justin Green, who is about 23 years old, living at 792 Capitol Avenue 3<sup>rd</sup> Hartford, CT. Williams stated that at the time of the robbery Green was wearing a white shirt and jean shorts.

Note: Vasquez stated that as both Williams and Green were exiting his vehicle he pleaded with them not to take his handgun. Vasquez also stated he was told by Green and Williams not to leave before thirty seconds or they would start shooting.

Based on the facts and circumstances contained herein, I respectfully request an arrest warrant be issued for Xavier Williams, DOB 11/14/1991, for the crime of Robbery in the First Degree, 53a-134(a)(2), Conspiracy Robbery in the First Degree 53a-49/53a-134(a)(2), which occurred within the City of Hartford, Connecticut.

suspect 2 for Pete and suspect 1 to return. Aucoin also reported that when Pete and suspect 1 returned, Pete stated that he did not have any Heroin but that his friend (suspect 1) could help. Suspect 1 showed him a bag with powder in it to represent Heroin. Aucoin reported that he immediately realized that the powder was not Heroin and rejected it then walked away; that suspect 1 grabbed onto his shirt and spun him around; that he struck suspect 1 and attempted to run away because he believed he was being robbed; that suspect 1 knocked him to the ground and struck him multiple times with a closed fist on the face; that in the struggle with suspect 1 he lost possession of his Glock 22 handgun; that when he lost the gun he ran away and went to the hospital for medical attention. Stephen Aucoin reported that while suspect 1 was hitting him he asked Pete for help to "get him off me." Aucoin reported that nobody helped him.

Stephen Aucoin continued to report that he originally reported his gun stolen with the South Windsor Police Dept. I verified that claim with Ofc. T. Hankard of the South Windsor PD and he provided case number 11-2256. Ofc. Hankard entered the missing firearm as stolen into NCIC and message number 1202608 was assigned.

Stephen Aucoin offered a written statement of this incident which was typed on his behalf by this officer. Aucoin stated that he can identify all three individuals involved in this incident. At this time suspect information is being developed.

Suspect 1 is described by Aucoin as a black male in his 40's, 5 foot 10 inches tall and approximately 185 pounds who didn't speak clearly. Suspect 2 was described as a Hispanic male 5 foot 10 inches tall in his early 20's approximately 175-200 pounds with short black hair. Pete is described as a Hispanic male in his early 20's with long black hair in a pony tail style.

As a result of further investigation it was learned by Ofc. Urbanski and Antuna that Rodriguez was in possession of a magazine that belonged to a Glock 40 caliber handgun. Furthermore that the location of the firearm was 19 Kenneth St. Hartford, CT. Ofc. Urbanski and Antuna gained consent to search apartment B4 at 19 Kenneth St and located the stolen Glock handgun. Subsequently Luis Fret of that same address was arrested for the possession of that stolen handgun. That incident was documented under case number 11-25124. The Glock was recovered and taken out of NCIC. Sgt. Burke is notified of this incident. Det D. Richter is also notified of this incident. Nothing further at this time.

## DETAILS

Victim Hutton stated after fighting for a few minutes, Hispanic female came out of 1004 Broad St. with a golf club and began yelling at the Hispanic male with a black hoodie to stop it. Victim Hutton was under the impression that this female was his mother by the way he was speaking to him. When the Hispanic female grabbed the Hispanic male with the black hoodie off of victim Hutton, the other two Hispanic males grabbed victim Hutton's jacket and backpack, and ran behind 1004 Broad St. The Hispanic female appeared to be about 35-45 years old, with long black hair and was wearing black PJ pants.

As the Hispanic female was restraining the Hispanic male with a black hoodie, victim Hutton got up and observed the other two Hispanic males run back onto Broad St. and run north, dropping his jacket and backpack at Broad and Ward St. and then continued running east on Ward St. Victim Hutton stated the party who took his backpack was wearing a white shirt and a knit hat, and was clean shaven. Victim Hutton stated as he was watching the two parties run north on Broad St., the third Hispanic male wearing a black hoodie ran away in an unknown direction.

The Hispanic female walked across the street and back into 1004 Broad St. Victim Hutton stated he tried to follow her, but she shut the front door before he got to the steps, and he didn't go in because he didn't want to get into any more problems. Victim Hutton stated he then called 911 and waited for the police to arrive.

Victim Hutton stated his backpack contained a phone charger, a checkbook, a hair brush and a fully loaded Smith and Wesson .357 revolver, in a brown leather holster. Victim Hutton stated in the bag was approximately ten (10) brass colored ball .357 ammunition that he uses for target practice. The firearm was loaded with six (6) Winchester Super X 38 SPL +P hollow point ammunition.

I located victim Hutton's jacket and backpack at Broad St. and Ward St. The backpack was completely empty. Assisting units canvassed the area for the suspects, with negative results. Unit 9, Officer Dugan, canvassed the area in the rear of 1004 Broad St. and located one (1) brass BHA .357 mag proof ball live round. Officer Dugan also followed wet footprints up the stairwell to 1004 Broad St. that led to apartment 2N. Officer Dugan reported

was no answer at the door of apartment 2N. There was only one vehicle in the parking lot in the rear of 1004 Broad St., it was a 2000 red Ford Windstar out of 62 Clinton St, New Britain.

Victim Hutton was seen by Aetna Ambulance EMT on scene, but declined medical attention on scene. Victim Hutton provided me with a sworn written statement of the above incident.

Witness Ashley Nelson stated she observed the three (3) young Hispanic males in front of 1004 Broad St. throwing snowballs at passing vehicles, being rowdy and assaulting at least two (2) people walking on the sidewalk before they assaulted victim Hutton. Witness Nelson stated she observed a female come outside and yell at them, and they all ran away, two east on Ward St. and one south on Broad St. Witness Nelson described the two running east on Ward St. as one wearing a white shirt and black knit hat and the other wearing a plaid coat with a baseball cap. She described the Hispanic male who went south on Broad St. as wearing a black hoodie.

The above listed firearm was entered into NCIC as missing under message number 2020666

Unit 310, Sgt. Varkal was notified of the incident and responded to the scene. An attempt to locate the Major Crimes Division by fleet was negative, however Sgt. Spell of the Shooting Team was also notified.

A check in the Hartford Police In-House system revealed no information on any party living at 1004 Broad St., apt. 2N. Incident documented.

*OH* On 1/21/12 at about 11:30 pm I was walking south on Broad St. on my way to work at 470 Maple Ave. on the west sidewalk. I observed three young Hispanic males on the east sidewalk. They were standing on the sidewalk, but they started yelling at me, saying, "get off my block. What you doing over here, I'll fuck you up." I kept walking, and one of the young Hispanic males wearing a black hoodie and a black skull cap ran across the street and started walking right behind me. I kept walking, but he hit me in the back of the head, I believe with his fist. I turned around and swung back, and the next thing I knew, the other two Hispanic males were up on me, and they all began punching me with their fists, and they were focusing on my face and head.

The fight went on for a few minutes, when a Hispanic female, approximately 35-45 years old with long black hair came out of the building across the street with a golf club. She came across the street and grabbed the Hispanic male wearing a black hoodie and black skull cap, and pulled him off of me. She called him by name, but I can't remember the name. She was wearing black satiny PJ pants. She was yelling him to get back and stop, and was physically restraining him.

At this point the two Hispanic males walked back across the street to the east sidewalk, and the one wearing a white shirt and knit hat had my backpack and jacket. They walked behind the building the lady came out of. I got up and watched them walk back out onto the sidewalk, and then run north on Broad St. I observed them throw my backpack and jacket in the air as they ran up Broad St., and then they ran east on Ward St. When I wasn't looking, the Hispanic male in the black jacket and black skull cap ran away, I didn't see what direction, and the Hispanic female walked back into the *X WH*

J.H. building she came out of. I followed her across the street, but she closed the door and I didn't want to get into any more problems by following her in.

I then called 911 and waited for the police to arrive.

I did get in a punch to the Hispanic male wearing the black hoodie and black skull cap, so he may have some kind of injury to his face.

I can probably identify the Hispanic female and the Hispanic male wearing the white shirt and knit hat.

In my backpack was a black Smith and Wesson .357 revolved, fully loaded with six hollow point rounds. The firearm was in a brown leather exterior holster. Also in the bag was a phone charger, a small flashlight and hair brush, a check book for Peoples Bank with my information on it, and approximately ten pieces of .357 ball ammunition I use for target shooting. I carry the gun with me for protection. I normally carry it on my person, but tonight I was in a rush and just threw it in my bag. x WH

DETAILS

I explained to victim Johnson that I viewed the Smoke Shop's in store video footage and that on the night of the robbery he was not in the footage. I explained to Johnson that his statement had changed, that he was not inside of the Smoke Shop, and that he did not appear to be completely truthful.

Johnson stated that on May 21, 2012, he did visit his cousin BJ on Vine Street and that because it was BJ's birthday week he wanted to get him some marijuana to smoke so he went to Garden Street and Capen Street to buy it. Victim Johnson stated that while his vehicle was running he exited it and approached a group of guys and ask about marijuana. Victim Johnson stated that they told him to go to Pliny Street. Victim Johnson stated that as he walked back to his vehicle there was a male standing next to his car. Victim Johnson stated that the male pulled a mask over his face, produced a gun, and told victim Johnson to give him everything. Victim Johnson stated that he took his wallet out of his pocket and handed it to the male. Victim Johnson stated that the male then patted his waist down and located victim Johnson's handgun. Victim Johnson stated that the male asked what do you have in the car. Victim Johnson stated that he opened his car and gave the male his gun that was located inside of the glove box and a pair of glasses that were inside of the center console. Victim Johnson stated that the male ran away and that he drove around for a while before he called the police. Victim Johnson stated that he was scared to tell Officer Gorman that he was going to buy marijuana.

On June 4, 2012, I contacted 860-685-8285, Connecticut State Police Detective Mattson and informed her about the interview with victim Johnson.
